COMMUNICATE D. Alexandria and Washington Railroad Company to extend their road through this city to the Depot of the Orange and Alexandria Railroad Company, was not presented to the City Council on Tuesday night last, and I trust the scheme will be abandoned. It cannot be possible that the City Conneil would take any positive action towards the accompliabment of the object contemplated, and as to a vote of the people apon the subject, the result is a foregone conclusion. Why then keep up the excitement by urging the matter further upon public attention. It will hardly be desired I think.
